## Experience

### Web Designer

2022 · San José State University · San José, CA · Part-time

Updated, modified, and created content for the SJSU BFA Graphic Design website.

Learned how to work with someone else's design and adapt.

Learned how to use Webflow to work on the website.

### SJSU Design Department Catalog

2021 · San José State University · San José, CA · Intern

Work with other designers to create and modify spreads for the upcoming department of design catalog.

Learned how to design and adapt from a specific style.

### Social Media/Marketing Intern

2018 · Contra Costa Community College District · Martinez, CA

Created and modified content and graphics on district's website.

Created posts and graphics for their Instagram and Twitter.

Record a video interview of a student star athlete and her coach and edit the entire video.

Created an Adobe Premiere Pro video template for video interviews.

### Marketing & Media Design Intern

2016 · Los Medanos College · Pittsburg, CA

Created graphics for the college's website.

Designed digital banners and flyers that would appear on the screens around campus.

Created branding, logo, tote bag, and signage for new food pantry.

Worked behind the scenes of the video interviews of professors.

Mainly worked on audio setup.
